Gentlemen:-

I have your letter enclosing bill for a copy of "A Dictionary of Numismatic Names" by Frey. Some months ago, I asked this to be sent us on approval. However, it has not yet arrived at the library.

If it has been shipped from your office, I would suggest that a tracer be started from your end and if this fails, I should be glad to take up the matter with the Lynn post office.

Very truly yours,

CES-W
